

ALTISSIMO SIT/STAND WORKSTATION

The Altissimo Sit-Stand Workstation allows you to adjust the monitor, keyboard, and mouse to a comfortable level whether you are sitting or standing at your existing work surface. Using a gas-assisted positioning mechanism, Altissimo offers a 22" range to accommodate every user.

- Clamps to back of work surface up to 30" deep
- Requires a min. 3/4"-1" thick work surface
- Cannot be used on desk with flush back (can be clamped onto desk with min. 2" overhang)
- Single or dual monitor options
- Monitors can be independently tilted up to 45° and rotated 90° in landscape or portrait orientation
- Available with or without shelf and keyboard tray (keyboard tray flips up)
- Available in black, silver or white
- Instructions included
- Effective May 2018
