## III. Standard Engraved Signs

To simplify placing orders for the most commonly ordered engraved signs, this section highlights the descriptions, coding, and pricing. For many of these, we maintain an inventory to permit prompt United Parcel Service shipment.

Though specific descriptions and codes are noted, to modify listed items to better suit your color/stock requirements, the last two digits only need change. Refer to Section I for options and the two-digit codes involved. The pricing for plastic stock materials remains the same as noted below for all stock materials listed.
