Metal vertical file cabinets are constructed of premium quality cold rolled steel with 16-gauge base, 18-gauge top/bottom and 20-gauge sides/back. The drawer bodies are 22-gauge and the fronts are 20-gauge. The case consists of welded joints and upright braces for rigidity.

HOW TO ORDER YOUR VERTICAL FILING CABINETS

Your file cabinet order will be processed as efficiently as possible. File cabinets are offered in a wide array of paint colors. To view color samples and get the code, contact your Corcraft salesperson, email marketing.corcraft@doocs.ny.gov or visit corcraft.ny.gov.

When you have made your size and color choices, you need to enter the right item code on your purchase order. You must use the two digit color code numbers, *not word descriptions*. Here is an example of a 2 drawer letter vertical file cabinet with light grey paint:

HOW TO ORDER YOUR LATERAL FILING CABINETS

Your file cabinet order will be processed as efficiently as possible. You need to choose a laminate wood tone if you choose a laminate top, and a metal color (a metal top would be the same color). To view paint chips and woodtone laminate samples, contact your Corcraft salesperson, email marketing.corcraft@doccs.ny.gov or visit corcraft.ny.gov.

When you have made your size and color choices, you need to enter the right item code, the laminate code, and the two digit paint color code on your order. You must use the codes, *not word descriptions*. Here is an example of a *Two-Tier Lateral File Basic 30 with walnut top and putty paint*:
