

## WorkUp Crank Adjustable Tables

Shown with wild cherry top and black base. Top height.

Shown with sunset top and silver base. Lowest height.

Corcraft offers adjustable tables that allow a user to change the height of his/her work surface. The table features two adjustable T bases attached to a work surface. Height is adjusted using a retractable crank handle. Three sizes are available with an optional two-drawer, lockable, hanging pedestal (left or right). Height range: 27" to 45." Tops are available in standard Corcraft laminate colors. Bases are available in black or silver. Please note that on tables without pedestals, the crank handle is located on the right side.
